Element Offices

Amsterdam, The Netherlands

Element Offices has established itself on the 4th and 5th floor of Tower 42 in Amsterdam, following a meticulous design and renovation process. The space has been transformed into an impressive work environment, spanning over 1.700 square meters, where innovation and creativity are at the forefront.

Element Offices is renowned as a leading provider of flexible office solutions at central locations throughout the Netherlands. The company offers modern, fully equipped workspaces, backed by a professional hospitality team. Members have access to co-working spaces, private offices, and thematic meeting rooms, all enhanced with state-of-the-art facilities and an extensive range of food and drinks.

Beamm was commissioned by Element Offices to advise them during the design and execution phases. For this, we provided design consulting, project management and site management services.

Services provided: Design Consulting | Project Management | Site Management
